TOPIC	DISCUSSION/INFORMATION	ACTION REQUIRED	By When
1.0 Call to Order	Lennae called the meeting to order at 12:10 pm.		
2.0 Past Minutes	The Feb. 15, 2018 and March 15, 2018 minutes were reviewed. Leanne moved to approve the February 15, 2018 minutes as written. Sharon Daymond seconded, and the motion passed unanimously. Elizabeth Lortscher moved to approve the March 15, 2018 minutes as written. Sharon Daymond seconded, and the motion passed unanimously.	Approved minutes	
3.0 Council Business	Connie Atwood reported about the Peerpocalypse annual conference in Seaside. Several Peer Advisory Council (PAC) members attended. Laura Williams gave an update about the annual CAC event in Salem hosted by OHA. Topics were CHA focus groups, what to expect from CCO 2.0, social determinants of health and flex funding. At the May CAC, members will be given the opportunity to provide input and feedback on the OHA survey.		
4.0 Southern Oregon Coast Dental Health Survey	The Southern Oregon Coast Dental survey was discussed and filled out by attendees. The purpose of the survey in brief, is to identify barriers and overall dental health in Coos and Curry counties. Maggie Lowery has offered to receive hard copies of the surveys. Looking for opportunities to distribute surveys within the community. The surveys will not be physically mailed but there will be a Survey Monkey link.		
5.0 Curry CHA Update	Laura Williams distributed the Draft 2.0 of the Curry County Community Health Assessment. We are able to share this draft and feedback and input would be appreciated within 2 weeks. Sharon Daymond expressed her concern with the length of the assessment and requested for a 3-4 page summary/packet that would be easy for members to handout to specific groups. Laura Williams indicated that there is an executive summary as well as simple summary sheets at the end of each section. Both could be used in place of sharing the entire document.	<ul style="list-style-type: none"> - Send out the CHA electronically and the survey monkey link to provide feedback electronically. - Ask Vanessa Becker if a 'confidence interval' can be inserted into the Maternal and Child Health 	

	<p>Belle Shepherd noted that press releases could be helpful to explain the overall Curry CHA.</p> <p>Dr. Muday asked if a survey monkey link would be available and asked if a 'confidence interval' could be inserted related to the preterm birth section data for Curry County.</p>	<p>section.</p> <p>- Work on getting a press release in the local Curry newspapers about the CHA.</p>	
<p>6.0 Updates from OHA</p>	<ul style="list-style-type: none"> - The Oregon Health Policy Board (OHPB) has developed a website for information about CCO 2.0. Reports, Resources, Public meeting schedules and timelines are listed at: www.oregon.gov/oha/OHPA/Pages/CCO-2-0.aspx - 2018 County Health Rankings from the Robert Wood Johnson Foundation are available. The report ranks counties each by state health outcomes and health factors based on a variety of data sources.
