How OHP and ADVANCED HEALTH work together

The Oregon Health Plan (OHP) is free health care coverage for Oregonians. OHP is Oregon’s Medicaid program. It covers physical, dental, and behavioral health care services (mental health and substance use disorder treatment). OHP will also help with prescriptions and rides to care.

OHP has local health plans that help you use your benefits. The plans are called coordinated care organizations or CCOs. Advanced Health is a CCO.

CCOs organize and pay for your health care. We pay doctors or providers in different ways to improve how you get care. This helps make sure providers focus on improving your overall health. You have a right to ask about how we pay providers. Provider payments or incentives will not change your care or how you get

benefits. For more information, call Member Services at 541-269-7400.

All CCOs offer the same OHP benefits. Learn more about Advanced Health benefits on page [26].

There are times when people under age 18 (minors) may want or need to get health care services on their own. To learn more, read “Minor Rights: Access and Consent to Health Care.” This booklet tells you the types of services minors can get on their own and how their health records may be shared. You can read it at www.OHP.Oregon.gov. Click on “Minor rights and access to care.” Or go to: <https://sharedsystems.dhsoha.state.or.us/DHSForms/Served/le9541.pdf>

- **Ask us about your pregnancy benefits.**

After you deliver:

- **Call OHP or ask the hospital to send a newborn notification to OHP.**
OHP will cover your baby from birth. Your baby will also have Advanced Health.

American Indian and Alaska Native Members.

American Indians and Alaska Natives have a right to choose where they get care. They can use providers that are not part of our CCO, like:

- Tribal wellness centers.
- Indian Health Services (IHS) clinics.
- Native American Rehabilitation Association of the Northwest (NARA).

American Indian and Alaska Natives don't need a referral or permission to get care from these providers. These providers must bill Advanced Health. We will only pay for covered benefits. If a service needs approval, the provider must request it first.

Need help? Call 541-269-7400 or visit Advancedhealth.com
Updated 1/01/2023

American Indian and Alaska Natives have the right to leave Advanced Health any time and have OHP Fee-For-Service (FFS) pay for their care. Learn more about leaving or changing your CCO on page [69].

You can also call Advanced Health Member Services for help at 800-264-0014. Show all of your healthcare ID cards at your provider visits. This could include your Medicare ID, Oregon Health ID, CCO ID, Medicare Advantage ID, Medigap card, and Medicare Part D plan card.

Prescription Drug Benefits Medicare Part D is your Medicare prescription drug benefit. Your OHP benefits do not include drugs that are covered by Medicare Part D. If you qualify for Medicare Part D but choose not to enroll, you will have to pay for drugs that Medicare Part D would cover if you had it, Medicare Part D has copayments on covered drugs. OHP does not pay these copayments for Medicare Part D. OHP also does not pay your Medicare Part D premiums or deductibles.

Out-of-Pocket Costs for Medicare Members

If you are a Qualified Medicare Beneficiary (QMB), you are not responsible for Part A or B copays, deductibles, or co-insurance charges. You do not have to pay for any services covered by Medicare Part A or B. See the “Billing section” to learn more about what to do if a provider expects you to pay a bill.

Full Benefit Dual Eligible (FBDE)

An FBDE is a member who receives both Medicare and full Medicaid (OHP) benefits. FBDE members can receive care coordination benefits. See the “Care Coordination” section to learn more about the Care Coordination Program. For all FBDE

Updated 1/01/2023

The Health Risk Screening is a survey with questions about your general health with the goal of helping reduce health risks, maintain health, and prevent disease. More information can be found at <https://advancedhealth.com/members/>.

The survey asks about:

- Your habits (like exercise, eating habits, and if you smoke or drink alcohol).
- How you are feeling (to see if you have depression or need a mental health provider).
- Your general well-being and medical history.
- Your primary language.

Your answers help us find out:

- If you need any health exams, including eye or dental exams.
- If you have routine or special health care needs.
- Your chronic condition.
- If you need long-term care services and supports
- Safety concerns.
- Difficulties you may have with getting care.
- If you need extra help from care coordination or intensive care coordination. See page [41- 44] for care coordination and intensive care coordination.

A Care Management team member (Nurse, Licensed Clinical Social Worker, Clinical Support Coordinator, or Pharmacist) will look at your survey. They will call you to talk about your needs and help you understand your benefits.

Your survey may be shared with your doctor or other providers. Advanced Health will ask for your permission before sharing your survey with providers.

Your Benefits

How Oregon decides what OHP will cover.

Many services are available to you as an OHP member. How Oregon decides what services to pay for is based on the **Prioritized List of Health Services**. This list is made up of different medical conditions (called diagnoses) and the types of procedures that treat the conditions. A group of medical experts and ordinary citizens work together to develop the list. This group is called the Oregon Health Evidence Review Commission (HERC). They are appointed by the governor.

The list has combinations of all the conditions and their treatments. These are called condition/treatment pairs.

The condition/treatment pairs are ranked on the list by how serious each condition is and how effective each treatment is. Not all condition and treatment pairs are covered by OHP. There is a stopping point on the list called “the line.” Pairs above the line are covered and pairs below the line are not. Some conditions and treatments above the line have certain rules.

Learn more about the Prioritized List at:

<https://www.oregon.gov/oha/hsd/ohp/pages/prioritized-list.aspx>

Updated 1/01/2023

Getting approval, also called prior authorization (PA).

Some services need approval before you get the service. This is known as a “prior authorization (PA)” or “preapproval”. Your provider works with Advanced Health to ask for preapproval for a service. If you have any questions about preapproval of a service, contact Advanced Health Member Services at 541-269-7400.

You might not get the service if it is not approved. We review PA requests as quickly as your health condition requires. Most decisions are made within 14 days. Sometimes a decision may take up to 28 days. This only happens when we are waiting for more information. If you or your provider feel following the standard time frame puts your life, health or ability to function in danger, we can make an “expedited service authorization” decision. Expedited service decisions are typically made within 72 hours, but there may be a 14-day extension. You have the right to complain if you don’t agree with an extension decision. See [page 78-83] to learn how to file a complaint.

You do not need approval for emergency or urgent services or for emergency aftercare services. See [page 59] to learn about emergency services.

Provider referrals and self-referrals.

To get some services, you will need to have a referral from your primary care provider (PCP). A **referral** is a written order from your provider noting the need for a service.

If your PCP cannot give you services, you need they can refer you to a specialist. If there is not a specialist close to where you live or who works with Advanced Health (also called in-network), they may have to work with the Care Coordination team to find you care out-of-network. There is no extra cost if this happens.

A lot of times your PCP can perform the services you need. If you think you might need a referral to a health care specialist, ask your PCP. You do not need a referral if you are having an emergency and cannot reach your PCP. Some services do not require a referral from your provider. This is called a self-referral. A **self-referral** means you can look in the provider directory to find the type of provider you would like to see. You can call that provider to set up a visit without a referral from your provider. Learn more about the Provider Directory on page [40].

Whether you can self-refer or need a referral to see a specialist, you may still need pre-approval for the service. Talk with your PCP or contact Member Services if you have questions about if you need a preapproval to get a service.

Direct Access.

You have “direct access” to providers when you do not need a referral or preapproval for a service. You always have direct access to emergency and urgent services. See the charts below for services that are direct access and do not need a referral or preapproval.

Physical health benefits.

- You should see your dentist once a year.
- When you're pregnant, keeping your teeth and gums healthy can protect your baby's health.
- Fixing dental problems can help you control your blood sugar.

Moral or Religious objections.

Advanced Health does not limit services based on moral or religious objections.

Access to the care you need.

Access means you can get the care you need. You can get access to care in a way that meets your cultural and language needs. If Advanced Health does not work with a provider who meets your access needs, you can get these services out-of-network.

Advanced Health makes sure that services are close to where you live or close to where you want care. This means that there are enough providers in the area and there are different provider types for you to pick from.

We keep track of our network of providers to make sure we have the primary care and specialist care you need. We also make sure you have access to all covered services in your area.

- **Urban area:** Access to providers within 30 miles, or 30 minutes of where you live. Urban area means you live in or near a city.
- **Rural area:** Access to providers within 60 miles, or 60 minutes of where you live. Rural area means you do not live in or near a city.

Our providers will also make sure you will have physical access, reasonable accommodations, and accessible equipment if you have physical and/or mental disabilities. Contact Advanced Health at 541-269-7400 to request accommodation. Providers also make

Primary care providers (PCPs).

A primary care provider is the one you will see for regular visits, prescriptions and care. You can pick one, or we can help you pick one.

Primary care providers (PCPs) can be doctors, nurse practitioners and more. You have a right to choose a PCP within the Advanced Health network. If you do not pick a provider within 30 days, Advanced Health will assign you to a clinic or picks a PCP for you. Advanced Health will send you a letter with your provider's information.

In-network providers

Advanced Health works with some providers, but not all of them. Providers that we work with are called in-network or participating providers. Providers we do not work with are called out-of-network providers. You may be able to see out-of-network providers at no cost if needed, but they must work with the Oregon Health Plan.

Your PCP will work with you to help you stay as healthy as possible. They keep track of all your basic and specialty care needs. Your PCP will:

- Get to know you and your medical history.
- Provide your medical care.
- Keep your medical records up-to-date and in one place.

Your PCP will refer you to a specialist or admit you to a hospital if needed.

Each member of your family on OHP must pick a PCP. Each person can have a different PCP.

If you do not pick a PCP, we will pick one for you, please call Member Services if you would like to change your PCP. You can start seeing your new PCP the day this change is made.

Don't forget to ask Advanced Health about a dentist, mental health provider, and pharmacy.

Please contact Advantage Dental at 866-268-9631 to select a PCD. Please contact Advanced Health Member Services at 541-269-7400 to select a Mental Health Provider.

Each member of your family must have a dentist that will be their primary care dentist (PCD). You will go to your PCD for most of your dental care needs. Your PCD will send you to a specialist if you need to go to one.

Your PCD is important because they:

- Are your first contacts when you need dental care.
- Manage your dental health services and treatments.
- Arrange your specialty care.

Changes to your PCP

If there is a change and your PCP is no longer contracted with Advanced Health, we will send you a letter 30 days before the change happens. If this change was already made, we will send you a letter within 15 days of the change.

Here are examples of information you can find in the Provider Directory:

You can make an appointment with your provider as soon as you pick one.

Your PCP should be your first call when you need care. They will make an appointment or help you decide what kind of care you need. Your PCP can also refer you to other covered services or resources. Call them directly to make an appointment.

If you are new to your PCP, make an appointment for a check-up. This way they can learn about you and your medical history before you have an issue or concern. This will help you avoid any delays the first time you need to use your benefits.

- Identifying and advocating for preventative care practices
- Offering Feedback

The first time you call we will tell you about the program and talk about your ride needs. We will ask about your physical ability and if you will need someone to travel with you.

When you call to schedule a ride, we will ask for:

- Your full name.
- Your address and phone number.
- Your date of birth.
- Name of the doctor or clinic you need to visit.
- Date of appointment.
- Time of appointment.
- Pick-up time after appointment.
- If you need an attendant to help you.

Pick up and drop off.

You'll get the ride company or driver's name and number before your appointment. Your driver will contact you at least 2 days before your ride to confirm details. They will pick you up at your scheduled time. Please be on time. If you are late, they will wait for 15 minutes after your scheduled time. That means if your ride is scheduled for 10 a.m., they will wait for you until 10:15 a.m.

We will drop you off for your appointment at least 15 minutes before it starts.

- **First appointment of the day:** We will drop you off no more than 15 minutes before the office opens.
- **Last appointment of the day:** We will pick you up no later than 15 minutes after the office closes, unless the appointment is not expected to end within 15 minutes after closing.

- **Call if you don't have a pickup time:** If there is no scheduled pickup time for your return trip, call us when you are ready. Your driver will be there within 1 hour after you call.

Bay Cities Brokerage is a shared ride program. Other passengers may be picked up and dropped off along the way. If you have several appointments, you may be asked to schedule them for the same day. This will help us to make fewer trips.

You may ask to have a friend or family member drive you to the appointment. They can get reimbursed (paid) for the miles they drive.

You have rights and responsibilities as a rider:

You have the right to:

- Get a safe and reliable ride that meets your needs.
- Be treated with respect.

Your responsibilities are to:

- Treat drivers and other passengers with respect.
- Call us as early as possible to schedule, change, or cancel a ride
- Use seatbelts and other safety equipment as required by law (example: car seats).
- Ask for any additional stops, like the pharmacy, in advance.

Cancel or change your ride.

Call BAY CITIES BROKERAGE when you know you need to cancel or reschedule your ride, at least 2 hours before the pick-up time.

When you don't show up.

A "no-show" is when you aren't ready to be picked up on time. Your driver will wait at least 15 minutes after the scheduled pick-up time before leaving. We may restrict your future rides if you have too many no-shows.

Having a restriction means we might limit the number of rides you can make, limit you to one driver, or require calls before each ride.

If your ride is denied.

You will receive a call to let you know that your ride is denied. All denials are reviewed by two staff members before sent to you. If

Getting care by video or phone.

Telehealth (also known as telemedicine and tele-dentistry) is a way for you to get care without going into the clinic or office. Telehealth means you can have your appointment through a phone call or video call. Advanced Health will cover telehealth visits. Telehealth lets you visit your provider using a:

- Phone (audio)
- Smart phone (audio/video)
- Tablet (audio/video)
- Computer (audio/video)

These are all free. If you do not have internet or video access, talk to your provider about what will work for you.

How to find telehealth providers.

Not all providers have telehealth options. You should ask about telehealth when you call to make your appointment. You can also check our provider search tool at

<https://advancedhealth.com/members/find-a-provider/>

Go to Members and select the provider. Click “View” under their profile. Details including if the provider offers telehealth will appear. You can also call your provider directly to check.

If you have any audio or video problems with your telehealth visit, please be sure to work with your provider.

When to use telehealth.

Advanced Health members using telehealth have the right to get the physical, dental, and behavioral health services they need.

Some examples of when you can use telehealth are:

- When your provider wants to visit with you before refilling a prescription.
- Counseling services.
- Following up from an in-person visit.
- When you have routine medical questions.
- If you are quarantined or practicing social distancing due to illness.
- If you are not sure if you need to go into the clinic or office.

Telehealth is not recommended for emergencies. If you feel like your life is in danger, please call 911 or go to the nearest emergency room. See page [57] for a list of hospitals with emergency rooms.

If you do not know what telehealth services or options your provider has, call them and ask.

Telehealth visits are private.

Telehealth services offered by your provider are secure. Each provider will have their own system for telehealth visits, but each system must follow the law.

Learn more about privacy and the Health Insurance Portability and Accountability Act (HIPAA) on page [13].

Make sure you take your call to a private room or where no one else can listen in on your appointment with your provider.

- Have a provider that respects your culture and language needs.
- Get qualified and certified interpretation services. Learn more on page [6].
- Get in-person visits, not just telehealth visits.
- Get support and have the tools needed for telehealth.

Prescription medications.

If you need a prescription filled, you can go to any pharmacy in Advanced Health's network. A list of pharmacies we work with can be found in our provider directory at: [Advancedhealth.com](https://advancedhealth.com).

Take both your Advanced Health ID card and Oregon Health ID card to the pharmacy. You may not be able to fill a prescription without them.

Some medications your provider has prescribed may not be on our list. You can ask us to cover it as an exception. If you want an exception, tell your provider. Our Advanced Health doctors and pharmacists will review the exception for approval.

When a request is denied, you will get a letter from Advanced Health. The letter will have appeal rights and an appeal request form you can use if you disagree with our decision.

Call Advanced Health Pharmacy Member Services at 541-269-7400 (TTY 711) if you have questions.

Over the Counter (OTC) medications.

Some over the counter (OTC) medications are covered by Advanced Health. OTC medications are those you can buy at any store or pharmacy without a prescription, such as aspirin. For Advanced Health to pay for these you will need a prescription from your provider. Bring the prescription, along with your Advanced Health ID card and Oregon Health ID card to the pharmacy when picking up an OTC prescription.

Mail-order pharmacy

Some medications can be mailed to your home address. This is called mail-order pharmacy. If you have a hard time going to the pharmacy to pick up your prescriptions, this may be a good option for you. Advanced Health members can use Postal Prescription Services at 800-552-6694 for mail-order pharmacy. OHP pays for behavioral health medications.

Most medications used to treat behavioral health conditions are paid for by OHP, not Advanced Health. The pharmacy sends your prescription bill directly to OHP. Advanced Health and your provider will help you get the behavioral health medications you need. Talk to your provider if you have questions. You can also call Advanced Health Member Services at 541-269-7400.

Prescription coverage for members with Medicare.

Advanced Health and OHP do not cover medications that are covered by Medicare Part D.

If you qualify for Medicare Part D but choose not to enroll, you will have to pay for these medications. If you have Part D, show your Medicare ID card and your Advanced Health ID card at the pharmacy.

If your medication is not covered by Medicare Part D, your pharmacy can bill Advanced Health to see whether the medication is covered under OHP. Advanced Health will pay for all other covered services.

Learn more about Medicare benefits on page [68].

Services we do not cover.

Not all medical care is covered by OHP or Advanced Health. When you need care, talk to your primary care provider about options. If you choose to get a service that is not covered, you may have to pay the bill. The provider's office should tell you if a treatment or service is not covered. They will tell you how much it costs.

Need help? Call 541-269-7400 or visit [Advancedhealth.com](https://www.advancedhealth.com)

Updated 1/01/2023

You only pay if you sign a form before you get the service that says you agree to pay for it. The form must name or describe the service, list the approximate cost, and include a statement that OHP does not cover the service. Learn more about bills on page [64].

Always contact Advanced Health Member Services first to discuss what is covered. If you get a bill, please contact Advanced Health Member Services right away.

Examples of some non-covered services:

- Some treatments, like over the counter medications, for conditions that you can take care of at home or that get better on their own (colds, mild flu, corns, calluses, etc.)
- Cosmetic surgeries or treatments for appearance only.
- Services to help you get pregnant.
- Treatments that are not generally effective.
- Orthodontics, except to treat cleft palate in children.

If you have questions about covered or non-covered services, please contact Advanced Health Member Services at 541-269-7400 (TTY 711).

Urgent care.

An urgent problem is serious enough to be treated right away, but it is not serious enough for immediate treatment in the emergency room. These urgent problems could be physical, behavioral, or dental.

You can get urgent care services 24 hours a day, 7 days a week without preapproval.

You do not need a referral for urgent or emergency care. For a list of urgent care centers and walk-in clinics see below.

Urgent physical care.

Some examples of urgent physical care are:

- Cuts that don't involve much blood but might need stitches.
- Minor broken bones and fractures in fingers and toes.
- Sprains and strains.

If you have an urgent problem, call your primary care provider (PCP).

You can call anytime, day or night, on weekends and holidays. Tell the PCP office you are an Advanced Health member. You will get advice or a referral. If you can't reach your PCP about an urgent problem or if your PCP can't see you soon enough, go to an urgent care center or walk-in clinic. You don't need an appointment. See below list of urgent care and walk-in clinics.

If you need help, call Advanced Health Member Services at 541-269-7400 (TTY 711).

If you don't know if your problem is urgent, still call your provider's office, even if it's closed.

Behavioral Health Providers

For a list of outpatient behavioral health therapists, see our Provider Directory on www.advancedhealth.com. When you know which provider you want to see, you can self-refer by calling them directly. You can also call our Member Services. Please contact Coos Health and Wellness (CHW) (for Coos residents) or Advanced Health Member Services (for Curry residents) for more intensive services than outpatient behavioral health. You can contact Kairos or Advanced Health Member Services for youth wraparound services. You can contact CHW for assertive community treatment. You can self-refer to any of these services by calling them.

A behavioral health crisis is when you need help quickly. If not treated, the condition can become an emergency. Please call one of the 24-hour local crisis lines above or call 988 if you are experiencing any of the following or are unsure if it is a crisis. We want to help and support you in preventing an emergency.

Examples of things to look for if you or a family member is having a behavioral health emergency or crisis:

- Considering suicide.
- Hearing voices that are telling you to hurt yourself or another person.
- Hurting other people, animals, or property.
- Dangerous or very disruptive behaviors at school, work, or with friends or family.

Here are some suicide warning signs:

- Talking about wanting to die or kill oneself.
- Planning a way to kill oneself, such as buying a gun.

- You need a service that is not available in Oregon
- Or if the service is cost effective

Emergency care away from home

You may need emergency care when away from home or outside of the Advanced Health service area. **Call 911 or go to any emergency room.** You do not need preapproval for emergency services. Emergency medical services are covered throughout the United States, this includes behavioral health and emergency dental conditions. We do not cover services outside the United States, including Canada and Mexico.

Do not pay for emergency care. If you pay the emergency room bill, Advanced Health is not allowed to pay you back. See page [64] for what to do if you get billed.

Please follow steps below if you need emergency care away from home

1. Make sure you have your Oregon Health ID Card and Advanced Health ID card with you when you travel out of state.

Need help? Call 541-269-7400 or visit [Advancedhealth.com](https://www.advancedhealth.com)

Updated 1/01/2023

2. Show them your Advanced Health ID Card and ask them to bill Advanced Health.
3. Do not sign any paperwork until you know the provider will bill Advanced Health.
4. You can ask the Emergency Room or provider's billing office to contact Advanced Health if they want to verify your insurance or have any questions.
5. Please call your PCP if you need nonemergency care away from home.

In times of emergency the steps above are not always possible. Being prepared and knowing what steps to take for emergency care out of state may fix billing issues while you are away. These steps may help prevent you being billed for services that Advanced Health can cover. Advanced Health cannot pay for a service if the provider has not sent us a bill.

Bills for services

OHP members do not pay bills for covered services.

When you set up your first visit with a provider, tell the office that you are with Advanced Health. Let them know if you have other insurance, too. This will help the provider know who to bill. Take your ID card with you to all medical visits.

No Advanced Health in-network provider (for information on in-network providers see page 39) or someone working for them can bill a member, send a member's bill to a collection agency, or maintain a civil action against a member to collect any money owed

by Advanced Health for services you are not responsible for to the contracted provider.

Members cannot be billed for missed appointments or errors.

- Missed appointments are not an OHP (Medicaid) service and are not billable to the member or OHP.
- If your provider does not send the right paperwork or does not get an approval, you cannot get a bill for that. This is called provider error.

Members cannot get balance or surprise billing.

When a provider bills for the amount remaining on the bill that's called balance billing. It is also called surprise billing. The amount is the difference between the actual billed amount and the amount Advanced Health pays. This happens most often when you see an out-of-network provider. Members are not responsible for these costs.

If you have questions, call Member Services 541-269-7400. <For more information about surprise billing go to <https://dfr.oregon.gov/Documents/Surprise-billing-consumers.pdf>.>

If your provider sends you a bill, do not pay it.

Call Advanced Health for help right away at 541-269-7400, (TTY 711).

You can also call your provider's billing office and make sure they know you have OHP.

There may be services you have to pay for.

Usually, with Advanced Health, you will not have to pay any medical bills. Sometimes though, you do have to pay.

You have to pay the provider if:

- **You get routine care outside of Oregon.** You get services outside Oregon that are not for urgent or emergency care.
- **You don't tell the provider you have OHP.** You did not tell the provider that you have Advanced Health, another insurance or gave a name that did not match the one on the Advanced Health ID at the time of or after the service was provided, so the provider could not bill Advanced Health. Providers must verify your Advanced Health eligibility at the time of service and before billing or doing collections. They must try to get coverage info prior to billing you.
- **You continue to get denied service.** You or your representative requested continuation of benefits during an appeal and contested case hearing process, and the final decision was not in your favor. You will have to pay for any charges incurred for the denied services on or after the effective date on the notice of action or notice of appeal resolution.
- **You get money for services from an accident.** If a third-party payer, like car insurance, sent checks to you for services you got from your provider and you did not use these checks to pay the provider.
- **We don't work with that provider.** When you choose to see a provider that is not in-network with Advanced Health you may

have to pay for your services. Before you see a provider that is not in-network with Advanced Health you should call Member Services or work with your PCP, prior approval may be needed or there may be a provider in-network that can fit your needs. For information on finding in-network Providers see page [39].

- **You choose to get services that are not covered.** You have to pay when you choose to have services that the provider tells you are not covered by Advanced Health. In this case:
 - The service is something that your plan does not cover.
 - Before you get the service, you sign a valid Agreement to Pay form. Learn more about the form below.

You may be asked to sign an Agreement to Pay form.

An agreement to pay form is used when you want a service that is not covered by Advanced Health or OHP. The form is also called a waiver. You can see a copy of the form at <https://bit.ly/OHPwaiver>.

The following must be true for the Agreement to Pay form to be valid:

- The form must have the estimated cost of the service. This must be the same as on the bill.
- The service is scheduled within 30 days from the date you signed the form.
- The form says that OHP does not cover the service.
- The form says you agree to pay the bill yourself.
- You asked to privately pay for a covered service. If you choose to do this, the provider may bill you if they tell you in advance the following:

Need help? Call 541-269-7400 or visit [Advancedhealth.com](https://www.advancedhealth.com)
Updated 1/01/2023

- The service is covered, and Advanced Health would pay them in full for the covered service.
- The estimated cost, including all related charges, the amount Advanced Health would pay for the service. The provider cannot bill you for an amount more than Advanced Health would pay; and,
- You knowingly and voluntarily agree to pay for the covered service.
- The provider documents in writing, signed by you or your representative, that they gave you the information above, and:
 - They gave you a chance to ask questions, get more information, and consult with your caseworker or representative.
 - You agree to privately pay. You or your representative sign the agreement that has all the private pay information.
 - The provider must give you a copy of the signed agreement. The provider cannot submit a claim to Advanced Health for the covered service listed on the agreement.

Bills for emergency care away from home or out of state

Make sure you have your Oregon Health ID card and CCO ID card with you when you travel out of state. Because some out of network emergency providers are not familiar with Oregon's OHP (Medicaid) rules, they may bill you. Contact Advanced Health Member Services if you get a bill. We may have resources to help if you have been wrongfully billed.

Call us right away if you get any bills from out of state providers. Some providers send unpaid bills to collection agencies and may even sue in court to get paid. It is harder to fix the problem once that happens. As soon as you receive a bill:

- Do not ignore medical bills.
- Contact Advanced Health Member Services as soon as possible at 541-269-7400 (TTY 711).
Hours: Monday – Friday 8:00a.m. to 5:00p.m.
- If you get court papers, call us right away. You may also call an attorney or the Public Benefits Hotline at 800-520-5292 for free legal advice. There are consumer laws that can help you when you are wrongfully billed while on OHP.
- If you got a bill because your claim was denied by Advanced Health, contact Member Services. Learn more about denials, your rights, and what to do if you disagree with us on page [78].

Important tips about paying for services and bills.

- We strongly urge you to call Member Services before you agree to pay a provider.
- If your provider asks you to pay a copay, do not pay it! Ask the office staff to call Advanced Health.
- Advanced Health pays for all covered services in accordance with the Prioritized List of Health Services, see page [26].
- For a brief list of benefits and services that are covered under your OHP benefits with Advanced Health, who also covers case management and care coordination, see page [28]. If

you have any questions about what is covered, you can ask your PCP or call Advanced Health Member Services.

- No Advanced Health in-network provider or someone working for them can bill a member, send a member's bill to a collection agency, or maintain a civil action against a member to collect any money owed by Advanced Health for services you are not responsible for.
- Members are never charged for rides to cover appointments. See page [50]. Members may ask to get reimbursements for driving to covered visits or get bus passes to use the bus to go to covered visits.
- Protections from being billed usually only apply if the medical provider knew or should have known you had OHP. Also, they only apply to providers who work with OHP (but most providers do).
- Sometimes, your provider does not fill out the paperwork correctly. When this happens, they might not get paid. That does not mean you have to pay. If you already got the service and we refuse to pay your provider, your provider still cannot bill you.
- You may get a notice from us saying that we will not pay for the service. That notice does not mean you have to pay. The provider will write off the charges.
- If Advanced Health or your provider tell you that the service is not covered by OHP, you still have the right to challenge that decision by filing an appeal and asking for a hearing. See page [80].

- In the event of Advanced Health closing, you are not responsible for paying for services we cover or provide.

Members with OHP and Medicare.

Some people have OHP (Medicaid) and Medicare at the same time. OHP covers some things that Medicare does not. If you have both, Medicare is your main health coverage. OHP can pay for things like medications that Medicare doesn't cover.

If you have both, you are not responsible for:

- Co-pays
- Deductibles or
- Co-insurance charges for Medicare services, those charges are covered by OHP.

You may need to pay a co-pay for some prescription costs.

There are times you may have to pay deductibles, co-insurance or co-pays if you choose to see a provider outside of the network. Contact your local Aging and People with Disabilities (APD) or Area Agency on Aging (AAA) office. They will help you learn more about how to use your benefits. Call the Aging and Disability Resource Connection (ADRC) at 855-673-2372 to get your local APD or AAA office phone number.

Call Member Services to learn more about which benefits are paid for by Medicare and OHP (Medicaid), or to get help finding a provider and how to get services.

Providers will bill your Medicare and Advanced Health.

Advanced Health works with Medicare and has an agreement that all claims will be sent so we can pay.

- Give the provider your OHP ID number and tell them you're covered by Advanced Health. If they still say you owe money, call Member Services at 541-269-7400, (TTY 711). We can help you.
- Learn about the few times a provider can send you a bill on page [65].

Members with Medicare can change or leave the CCO they use for physical care at any time. However, members with Medicare must use a CCO for dental and behavioral health care.

Changing CCOs and moving care

You have the right to change CCOs or leave a CCO if you have an approved reason.

If you do not have a CCO, your OHP is called Fee-For-Service or open card. This is called "fee-for-service" because the state pays providers a fee for each service they provide. Fee-for-service members get the same types of physical, dental, and behavioral health care benefits as CCO members.

When you can change or leave a CCO.

The CCO you have depended on where you live. Some areas have more than one CCO. In those areas, there are rules about when you can change your CCO. You can choose to change or disenroll (leave) during these times:

- Within 30 days if:

- You don't want the plan you were enrolled in, or
- You asked for a certain plan and the state put you in a different one.
- In the first 90 days after you join the CCO, or
 - If the state sends you a "coverage" letter that says you are part of the CCO after your start date, then you have 90 days after that letter date.
- After you have been with the same CCO for 6 months.
- When you renew your OHP.
- If you lose OHP for less than 2 months, are reenrolled into a CCO, and missed your chance to pick the CCO when you would have renewed your OHP.
- When a CCO is suspended from adding new members.
- At least once every 12 months if the options above don't apply.

If any of following happens, you can change or leave at any time:

- The CCO has moral or religious objections about the service you want.
- You have a medical reason. When related services are not available in network and your provider says that getting the services separately would mean unnecessary risk. Example: a Caesarean section and a tubal ligation at the same time.
- Other reasons include, but not limited to, poor care, lack of access to covered services, or lack of access to network providers who are experienced in your specific health care needs.
- You move out of the service area.

- If you move to a place that your CCO does not serve, you can change plans as soon as you tell OHP about the move. Please call OHP at 800-699-9075 or use your online account at [ONE.Oregon.gov](https://one.oregon.gov).
- If you lose OHP for less than 2 months, are reenrolled into a CCO, and missed your chance to pick the CCO when you would have renewed your OHP.
- Services are not provided in your preferred language.
- Services are not provided in a culturally appropriate manner; or
- You're at risk of having a lack of continued care.

Some people can ask to change or leave a CCO at any time. These members are:

- Members with Medicare and OHP (Medicaid) can change or leave the CCO they use for physical care at any time. However, members with Medicare must use a CCO for dental and behavioral health care.
- American Indian and Alaska Native with proof of Indian Heritage who want to get care somewhere else. They can get care from an Indian Health Services facility, tribal health clinic/program, or urban clinic and OHP fee-for-service.

You can ask about these options by phone or in writing. Please call OHP Client Services at 800-273-0557 or email Oregon.Benefits@odhsoha.oregon.gov.

How to change or leave your CCO

Things to consider: Advanced Health wants to make sure you receive the best possible care. Advanced Health can give you some services that FFS or open card cannot. When you have a problem getting the right care, please let us try to help you before leaving Advanced Health.

If you still wish to leave, there must be another CCO available in your service area for you to switch your plan.

Tell OHP if you want to change or leave your CCO. You and/or your representative can call OHP Member Services at 800-699-9075 or 800-273-0557 (TTY 711) from Monday through Friday, 8 a.m. to 5 p.m. PT. Use your online account at ONE.Oregon.gov or email Oregon.Benefits@odhsoha.oregon.gov.

You can get care while you change your CCO. See page [69] to learn more.

Advanced Health can ask you to leave for some reasons.

Advanced Health may ask OHA to remove you from our plan if you:

- Are abusive, uncooperative, or disruptive to our staff or providers. Unless when the behavior is due to your special health care need or disability.
- Commit fraud or other illegal acts, such as letting someone else use your health care benefits, changing a prescription, theft, or other criminal acts.
- Are violent or threat violence. This could be directed at a health care provider, their staff, other patients, or Advanced Health staff. When the act or threat of violence seriously impairs

Advanced Health ability to furnish services to either you or other members.

We have to ask the state (Oregon Health Authority) to review and approve removing you from our plan. You will get a letter if the CCO asks to disenroll (remove) you has been approved. You can make a complaint if you are not happy with the process or if you disagree with the decision. See page [78] for how to make a complaint or ask for an appeal.

Advanced Health cannot ask to remove you from our plan because of reasons related to (but not limited to):

- Your health status gets worse.
- You don't use services.
- You use many services.
- You are about to use services or be placed in a care facility (like a long-term care facility or Psychiatric Residential Treatment Facility)
- Special needs behavior that may be disruptive or uncooperative.
- Your protected class, medical condition or history means you will probably need many future services or expensive future services.
- Your physical, intellectual, developmental, or mental disability.
- You are in the custody of ODHS Child Welfare.
- You make a complaint, disagree with a decision, ask for an appeal or hearing.

- You make a decision about your care that Advanced Health disagrees with.

For more information or questions about other reasons you may be disenrolled, temporary enrollment exceptions or enrollment exemptions, call Advanced Health at 541-269-7400 or OHP Client Services at 800-273-0557.

You will get a letter with your disenrollment rights at least 60 days before you need to renew your OHP.

Care while you change or leave a CCO

Some members who change plans can still get the same services, prescription drug coverage and see the same providers even if not in-network. That means care will not change when you switch CCOs or move from OHP fee-for-service to a CCO. This is sometimes called “Transition of Care.”

If you have serious health issues, your new and old plans must work together to make sure you get the care and services you need.

Who can get the same care while changing plans?

This help is for members who have serious health issues, need hospital care, or inpatient mental health care. Here is a list of some examples of those who can get this help:

- Members who need end-stage renal disease care.
- Medically fragile children.
- Breast and cervical cancer treatment program members.

- Members who had a transplant.
- Members who are pregnant or just had a baby.
- Members getting treatment for cancer.
- Any member that if they don't get continued services may suffer serious detriment to their health or be at risk for the need of hospital or institution care.

The timeframe that this care lasts is:

- 90 days for members who have both Medicare and OHP (Medicaid).
- For other members, whatever timeframe is shorter:
 - 30 days for physical and oral health and 60 days for behavioral health, or
 - Until the member's new PCP/PCD reviews their care plan.

Advanced Health will make sure members who need the same care while changing plans get:

- Continued access to care and rides to care.
- Allow services from their provider even if they are not in the Advanced Health network until one of these happen:
 - The minimum or approved prescribed treatment course is completed, or
 - The reviewing provider decides that the care is no longer medically needed. If the care is by a specialist, the treatment plan will be reviewed by a qualified provider.
- Some types of care will continue until complete with the current provider. These types of care are:

End of life decisions.

Advance directives.

All adults have the right to make decisions about their care. This includes the right to accept and refuse treatment. An illness or injury may keep you from telling your doctor, family members or representative about the care you want to receive. Oregon law allows you to state your wishes, beliefs, and goals in advance, before you need that kind of care. The form you use is called an **advance directive**.

An advance directive allows you to:

- Share your values, beliefs, goals and wishes for health care if you are unable to express them yourself.

What is the difference between a POLST and advance directive?

Portable Orders for Life-Sustaining Treatment (POLST)

A POLST is a medical form that you can use to make sure your wishes for treatment near the end of life are followed by medical providers. You are never required to fill out a POLST, but if you have serious illnesses or other reasons why you would not want all types of medical treatment, you can learn more about this form. The POLST is different from an Advance Directive:

Declaration for Mental Health Treatment.

Oregon has a form for writing down your wishes for mental healthcare. The form is called the Declaration for Mental Health Treatment. The form is for when you have a mental health crisis, or you can't make decisions about your mental health treatment. You have the choice to complete this form, when not in a crisis, and can understand and make decisions about your care.

What does this form do for me?

The form tells what kind of care you want if you are ever unable to make decisions on your own. Only a court and two doctors can decide if you cannot make decisions about your mental health.

This form allows you to make choices about the kinds of care you want and do not want. It can be used to name an adult to make decisions about your care. The person you name must agree to speak for you and follow your wishes. If your wishes are not in writing, this person will decide what you want.

A declaration form is only good for 3 years. If you become unable to decide during those 3 years, your form will take effect. It will remain in effect until you can make decisions again. You may cancel your declaration when you can make choices about your care. You must give your form both to your PCP and to the person you name to

Complaints, Grievances, Appeals and Fair Hearings

Advanced Health makes sure all members have access to a grievance system (complaints, grievances, appeals and hearings). We try to make it easy for members to file a complaint, grievance, or appeal and get info on how to file a hearing with the Oregon Health Authority.

Let us know if you need help with any part of the complaint, grievance, appeal, and/or hearings process. We can also give you more information about how we handle complaints/grievances and appeals. Copies of our notice template are also available. If you need help or would like more information beyond what is in the handbook contact us at: 541-269-7400.

You can make a complaint

A **complaint** is letting us know you are not satisfied.

- A **dispute** is when you do not agree with Advanced Health or a provider.
- A **grievance** is a complaint you can make if you are not happy with Advanced Health, your healthcare services, or your provider. A dispute can also be a grievance.

To make it easy, OHP uses the word **complaint** for grievances and disputes, too.

You have a right to make a complaint if you are not satisfied with any part of your care. We will try to make things better. Just call Member Services at 541-269-7400 or 800-264-0014, TTY 711.

- Use the filing or result of a complaint, appeal, or hearing as a reason to react against a member or to request member disenrollment.

You can ask us to change a decision we made.

This is called an appeal.

If we deny, stop, or reduce a medical, dental or behavioral health service, we will send you a denial letter that tells you about our decision. This denial letter is also called a Notice of Adverse Benefit Determination (NOABD). We will also let your provider know about our decision.

If you disagree with our decision, you have the right to ask us to change it. This is called an appeal because you are appealing our decision.

Follow these steps if you do not agree with our decision

Step 1
